## M9

### Smart Handheld Inkjet Printer

① 4.3" Capacitive touch screen, Sensitive response, Friendly UI

② Scan QR and bar-codes to print supported

③ WiFi data transmission, Excel and TXT variable printing

④ Free maintenance ink cartridge design

Labels

Cartons

Pharmaceutical packaging

Plastic Bags

Food Packaging

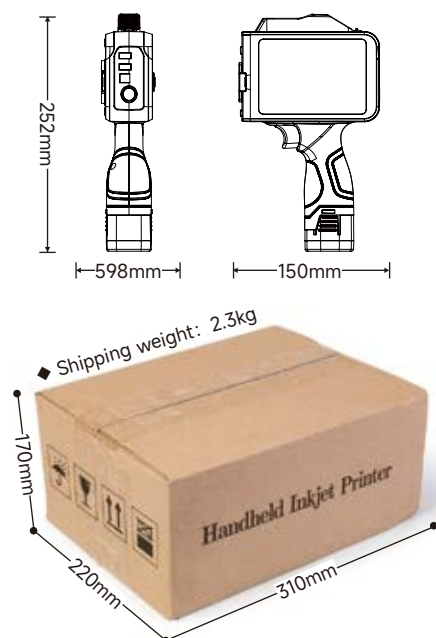

Foam

## Parameters

|                                     |                                                                                                                                               |
